

Alfix EPD

Environmental Product Declaration

Kolding, November 27, 2020

Declaration that *Alfix LetFix* complies with the FEICA Model Environmental Product Declaration EPD-FEI-20160042-IBG1-EN

Dear customer,

Alfix A/S is a member of **DFL - Danish Coatings and Adhesives Association**, which in turn is a member of FEICA, the Association of the European Adhesive and Sealant Industry. FEICA has developed European Model EPDs for **Modified Mineral Mortars**. These Model EPDs were verified by the independent institute IBU (Institut Bauen und Umwelt). Germany's Institute for Building and the Environment.

The FEICA Model EPDs have been published on the FEICA website, and also on the websites of the IBU and ECO (Platform of the European EPD Programme Operators) and can be downloaded there.

As a member of **DFL - Danish Coatings and Adhesives Association**, and with the help of internal FEICA guidance, Alfix A/S is entitled to determine the compatibility of its product with the FEICA Model EPD.

By means of this declaration, we certify that we have verified the compatibility of **Alfix LetFix** with the FEICA Model EPD for **Modified Mineral Mortars, Group 2** according to the FEICA guidance developed for this purpose. This means that the LCA data and the other content of the attached Model EPD apply to the above-mentioned product and can be used for the assessment of buildings.

Please do not hesitate to contact us if you require any further information.

Yours sincerely,

ALFIX A/S

Frank Pingel
R&D Manager
